

Multi-Media Services, Visual Information Specialist

Req ID: SB_MMS_VIS_01 - SB_MMS_VIS_03

Position Title: Multi-Media Services Visual Information Specialist

Classification Requirement: TS/SCI with CI polygraph

Position Description:

The Visual Information Specialist works with analytic authors and production teams, providing a complete range of support for production and dissemination of finished geospatial intelligence. They provide guidance on the design, layout, color management, and presentation of graphics. The specialist can expect to use a variety of hardware and software to complete multiple projects, including determining the appropriate reporting mechanism for conveying GEOINT to a specific audience and maintaining the production of GEOINT products.

Because we serve on a greater team that serves our country, the Integration and Test Engineer is required to possess an active Top Secret/Sensitive Compartmented Information (TS/SCI) security clearance and successfully complete a counterintelligence (CI) Polygraph.

Required Skills:

Journeyman

- At least 3 years of relevant multi-media services experience.*
- Basic graphic design experience
- Strong computer skills and proficiency on PC platform
- Proficiency with the following applications: Adobe Photoshop, Adobe Illustrator, and Adobe Acrobat.
- Working knowledge of worldwide web and multimedia technologies.
- Familiarity with electronic publishing and structured authoring software (SGML, HTML, or XML languages).
- Familiarity with the following applications: QuarkXpress, Adobe Photoshop, Adobe Illustrator, and Adobe Acrobat.

Senior

- At least 10 years of relevant multi-media services experience.*

Expert

- At least 20 years of relevant multi-media services experience.*

* A bachelor's degree in a field related to the support services may count for up to four years of this experience. A master's degree in a field related to the support services may count for up to two additional years of this experience. A doctorate degree in a field related to the support services may count for up to three years of this experience.
